- ◆ We want members feedback. Contact us at ranges@bancroftfishandgame.com

3D Archery

We have the targets and the area to place a natural 3D archery course on the grounds of the Bancroft District Fish and Game Protective Association Grounds. The course is targeted to be up and running by early summer 2014. Volunteer today to help in design and setup of the course.

2014 Membership Fees Explained

Effective January 1, 2014, membership fees have changed. Members are eligible to receive a \$50 credit to be applied to their 2015 membership renewal for 10 hours of approved volunteer work at club activities during the 2014 year.

How it Works:

Family memberships are now \$190.00 with families eligible to receive a \$50 credit for 10 hours of volunteer activity at the Bancroft District Fish and Game Protective Association.

Single Memberships are now \$170.00 with members eligible to receive a \$50 credit for 10 hours of volunteer activity at the Bancroft District Fish and Game Protective Association

Junior Memberships remain unchanged.

This includes a specially negotiated Ontario Federation of Anglers and Hunters membership (a savings of 24% from regular OFAH renewal rates). Members may download a volunteer hours log on our website: <http://bancroftfishandgame.com/memberships/>. Members are responsible for keeping track of logged hours and only a 2014 executive member may provide signature for authorizing volunteer hours.
